

COPR Entry to Practice Examination Eligibility Confirmation Letter

This form is to be used when an examination candidate requires approval by a Canadian Paramedic Regulator to write a COPR Entry to Practice Examination as outlined in the Examination Policy. If you download and then open this form with Adobe, it is a fillable PDF.

Section A: To be completed by the examination candidate:

Name: _____

COPR Examination level: **EMR** **PCP** **ACP**

I intend to practice as an EMR, PCP or ACP in the province of: _____

I require the approval of a Canadian paramedic regulator to access the COPR Entry to Practice Examination.

Contact the appropriate provincial paramedic regulator to have Section B completed.

Section B: To be completed by the provincial regulator and returned to the candidate:

The above candidate is approved to write the COPR examination for the above designation. The approval is valid for the following examination date (Month/Year):

Provincial Regulator:

Date:

Staff Name:

Signature

Instructions to Examination Candidate: upload this document with both sections completed to your application in the COPR applicant portal. Deadline: 14 days before the date of the examination.
